

Лабораторная работа 3

Тема Ветвление

Задание для всех вариантов. Даны x , y - координаты точки на плоскости. Определить, попадает ли точка с координатами заданными координатами в заштрихованную область.

Предусмотреть вывод на экран сообщения «Точка с координатами (----,----) принадлежит/не принадлежит области».

Области для различных вариантов приведены ниже.
